

**This page is for information only and should be deleted from your CV!**

*Text in italic is meant for clarification and should be deleted from your proposal.*

*Note that it is mandatory to follow this template, meaning that*

1. *The structure is used (sections, subsections etc.).*
  - a. *Do not add any sections/subsections. Added sections will be deleted.*
  - b. *Do not delete any sections/subsections, but include n/a if a certain section is not applicable for you.*
  - c. *Add additional table rows if necessary, delete unused rows.*
2. *The guidelines for formatting are followed (font, font size, spacing, margins).*

*Not following this template will lead to the submission being non-admissible, and rejected because of that.*

*Please make sure that Annex 1 carries on each page, as a header, the proposal acronym. All pages should be numbered in a single series on the footer of the page to prevent errors during handling. The footer should also include the call details "EuroTechPostdoc2 – Call 2022".*

*Make sure that any research career gaps and/or unconventional paths are clearly explained so that this can be fairly assessed by the independent evaluators.*

*Make sure to include all details in reverse chronological order.*

*Please note that reference letters will not be considered, and will be deleted from the application.*
